Carla Dehmer, MHA  
Master of Health Administration  
BS in Business Administration

Employer: UPMC  
Position: Senior Director of Telemedicine & Digital Solutions  
Oversees strategic and business decision making for telemedicine and digital solution operations.

### Name and Narrative Description of your Presentation

**Please determine if it is introductory, intermediate, or advanced.**

Name: Benefits & Opportunities of Telehealth for Patients with Disabilities

Description: Telehealth can benefit patients with disability and improve their access to care.

### Three (3) learning objectives

By the completion of this session, participants should be able to:

1. Understand the concept of telemedicine and various ways it can be used.
2. Describe how telehealth is and can make access easier for patients with disabilities
3. Recognize limitations & opportunities of telehealth for patients with disabilities

### Three (3) current (within the past 10 years) *peer-reviewed* publications that support the evidencebase for the content of your presentation

Publications must be listed in American Psychological Association (APA) Style (see [www.apastyle.org](http://www.apastyle.org) for more information).

APA format for journal article citation:

Author last name, Author First Initial. Author Second Initial. (Publication Year). Title of article. *Title of Journal*. volume(issue) (if issue numbered), pages.

I will have this list presented closer to the presentation date as I craft it.
