## Kintsugi

"I was once broken, not just cracked-shattered.

The pieces can't be glued back together. A shadow of what I was. Vaguely the same shape yet distorted. So, I filled in the cracks with Gold, adding value, strength.

I became a different vessel than at first. A better one.

I am more beautiful for having been broken. "

53. Set of 2. 5 x 7 shadow box with ceramic piece and original poem on 6 x 6 canvas. \$85

KINTSUGI  
I was once broken  
not just cracked-shattered  
The pieces can't be glued  
back together.  
A shadow of what I was  
Vaguely the same shape yet  
Distorted  
So, I filled in the cracks with  
Gold  
Adding value, strength  
I became a different vessel  
than at first - A better one.  
I AM MORE BEAUTIFUL  
FOR HAVING BEEN BROKEN
